Fall 2011

To Whom This Concerns:

Long Island Lutheran Middle & High School serves hundreds of children in grades 6 through 12 with college-preparatory education in a Christian, caring atmosphere. As a non-profit institution, we rely heavily upon the support of the community so we can continue to develop compassionate and educated leaders for the future.

On November 12, 2011 our Association is sponsoring LuHi's *Bid-for-Kids* Dinner Auction. Merchandise, gift certificates, services and cash donations will ensure the continued success of this event. Approximately \$150,000 is raised annually in spirited bidding which helps to provide program enhancements that directly affect the educational experience for LuHi students.

Proceeds from this year's event will provide funding to improve athletic programs and facilities with an artificial turf athletic field, renovate and refurbish science laboratories, and continue Christian service and scholarship opportunities for middle and high school students.

Your consideration of a generous tax-deductible donation at this time is greatly appreciated.

Sincerely,

A handwritten signature in black ink, appearing to read "Dave Hahn", with a long horizontal flourish extending to the right.

Dr. David Hahn
